AGENDA FOR JULY 27, 2004 TELEPHONE CONFERENCE

Dear Sir:

As you requested, the following is an agenda listing the matters that the applicant would like to discuss during our telephone interview on July 27, 2004.

Item 1) The rejection of Claims 49-97 set forth in the office action dated April 9, 2004 and, more specifically, the following:

a) the fact that some of the rejected claims appear to include limitations that are not taught or suggested by the references cited and relied upon by the Examiner;

b) the fact that portions of the references cited and relied upon by the Examiner do not appear to teach or suggest some of the features indicated by the Examiner; and

c) the specific location in the cited references relied upon by the Examiner where each claim limitation in the rejected claims is taught or suggested.

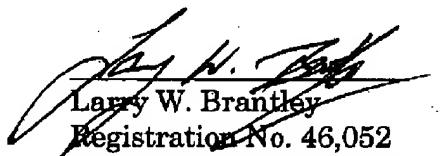

Item 2) Whether, in the Examiner's opinion, the currently pending patent application includes any features that are not taught by the cited references and, if so, what those features might be.

Item 3) The possibility of amending any of the rejected claims to include limitations that are not taught or suggested by the references relied upon by the Examiner in order to place those claims in condition for allowance.

If the Examiner has any questions regarding this Agenda, the undersigned attorney can be contacted at (256) 535-4400.

The Commissioner is authorized to charge any deficiency or credit any overpayment associated with the filing of this Agenda to Deposit Account 23-0035.
